[RUSH] MESSAGE: In the claim set two ~~24~~ Claims 24 are shown and there is a Claim 15 renumbered that is not on the index.

[XRUSH] RESPONSE: Corrected by using rule 37 CFR 1.121 to renumber claims beginning with second occurrence of claim 24 at page 7 of Claims 22: 25, 26, 27, 28, 29, 30, 31 & 32. Then, for allowance issue index form renumber claims accordingly to correct the claim sequence and include claim 15. Hence, claim 22 became claim 15, claim 23 became claim 16, and so on. Allowed claims are claims 1-14 and 22-32 since applicants had presented two separate claims as claim 24 twice so made renumber. INITIALS: DUP

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.

REV 10/04

Also sent notice of supplemental allowance & new examiner appointment.
